

WARRANTY CONDITION

Oven :.....

Serial No.:.....

Supporting structure, dome insulating and refractory material : 10 years

Cooktop (bedplate) , gear-reduction system : 3 years

Further and /or different not otherwise specified parts : 12 months

Warranty considers free repair or replacement of parts that by BIANCOGROUP LTD unquestionable evaluation , may be defective due to manufacturing defects or material.

Warranty covers mechanical parts, but excluding remaining electric and electronic parts.

Warranty excluding possible damages caused by carriage performed by third parties, wrong installation or maintenance, negligence or misuse, tampering by third parties, BIANCOGROUP LTD instruction non- observance.

Technical intervention under warranty period must be required in written to area dealer or to manufacturer.

BIANCOGROUP LTD , by own unquestionable evaluation, then decides to repair parts or replace the machine in full.

Any different and further manufacturer liability is severely excluded, also for direct and/or indirect damages too.

Possible substitution, both for parts or full machine too, does not generate warranty renew and/or extension.

During warranty period, shipping costs and transport risks for spare parts or full machine to replace

Are on customer charge, as well as defective or substituted parts which must be returned to the manufacturer .

Full expenses for manufacturer ' maintenance technician business-trip remaining on Customer charge too.
